

# SPEAKER FEES

## 2020

*Fees stated are for SoA events only. They are not intended as guidance for events organised by others. Rates are reviewed bi-annually.*

*All fees are offered exclusive of VAT and in addition to agreed travel and accommodation expenses as outlined in our Expenses Policy.*

### TALKS (1-1.5 HOURS)

- Keynote/principal speaker rate: £200
- Panellist fee: £90
- Event chair\* fee: £120

*\*Event chairing is different from lightly 'hosting' an event or where a Committee member is chairing an event in their voluntary capacity as Chair for the Committee. In this instance, expenses-only would be paid. It should be clear at the outset whether the individual is being engaged as an 'SoA volunteer' (working in their capacity as a Committee member or local group organiser) or where they are being engaged as an event chair for a panel discussion.*

### SHORT READINGS

- Stand-alone performance fee: £40 (for up to 15 minutes), then £12.50 per 5 minutes (equates to £150 per hour) up to a maximum of a £90 panel fee for performers or up to £200 for a sole performer.

### SEMINARS (2-3 HOURS)

- Seminar rate: £200 for the first 1.5 hours (as per the principal speaker rate), then £90 per hour for subsequent hours. Discounts to be negotiated for block bookings, but for individual negotiation.

### WORKSHOPS (UP TO 6 HOURS INCLUSIVE OF BREAKS)

- Workshop rate: £450. If higher fees are required by the workshop leader, ticket prices are increased accordingly to cover break-even costs.
